ALE-8-ONE

A LEADER IN CRAFT SODA

THE BEST OF THE BLUEGRASS IN GREEN GLASS

We created our signature ginger and citrus soft drink, Ale-8-One, back in 1926. Ever since then, it has been hand-blended in small batches using the same recipe passed down through four generations. Sweetened with 100% real sugar, and containing no artificial flavors or colors, our Heritage Ginger Ale is a unique and irresistible blend of ginger and citrus. Delicious when served ice-cold on its own, Ale-8-One also mixes exceptionally well to create a satisfying cocktail or mocktail.
